5.0 Safer Neighbourhoods Meeting

5.1 Alan Jenner reported on the last meeting held on 11th November as follows:-

Police had stopped a vehicle with stolen number plates and had recovered £30,000 of stolen equipment.

Concern was raised at the number of cases of theft from motor vehicles where the vehicle had been left unlocked, this can lead to the vehicle being classed as uninsured for purposes of trying to recover losses!

Geoff Lightbown reported the attempted theft of lead from the roof of St Helen’s Church and requested funding toward the cost of improved security. This would be assessed in the New Year.

6.1 In Councillor Muller’s absence, the latest defibrillator situation, particularly funding, could not be known.

However, it was agreed that the following should be added to the agenda for our next meeting to be held on Wednesday 6th January 2016:

‘It is proposed that the Watch will contribute a sum, to match the contribution from the Parish Council, not exceeding £500 toward the cost of the Etwall defibrillator installation’.
