3.0 Matters arising from the above minutes.

3.1. Ex6.2. Alan Jenner stated that he and Cliff Noons had attended the meeting addressed by our Police and Crime Commissioner. Alan said that he had been generally impressed by our Commissioner’s presentation and his attitude of strong support for Neighbourhood Watch and our Safer Neighbourhoods Organisation.

4.0 Crime Statistics.

4.1. Alan Jenner reported the following points obtained from the weekly reports put out by the Safer Neighbourhoods Communities Manager – Chris Smith:-
- There had been a spate of thefts from unlocked cars in the general area around Etwall.
- There had been criminal damage to a large number of cars parked in a wide area between Aston-on-Trent and the Willington/Repton area, all on the same night. A man has been arrested and charged with 17 cases of criminal damage, it is assumed that this relates to the car damage above.
- A burglary was reported in Ash Lane, goods being taken from an insecure loft area over a garage/outbuilding.
- A bike was stolen from an insecure garage.
- A burglary in Egginton Road via an insecure window, which included the theft of car keys resulting in the theft of the car. Fortunately the police Number Plate Recognition System recognised the vehicle registration number in Staffordshire leading to the vehicle being stopped and an arrest made.
- In all of the above it is noticeable how often the word insecure occurs! A warning to us to be extra careful with security.
