5.0 Safer Neighbourhoods Meeting

5.1 No report available.

6.0 Any Other Business

6.1 The following items were reported by Norman Ireland following the Parish Council meeting on 2nd July.

1. Etwall public toilets have been closed since Well Dressing weekend and have had no comments made to Parish Council from Etwall residents. 90% of Councillors would support permanent closure, but another vote amongst Etwall residents may take place. The main reason for closure is a leaking roof with water getting into the electrics.

2. A meeting with regards closure of the Etwall library was held and was attended by 11 people. With local volunteers keeping it open the cost would be £9,000 per year.

3. It was suggested a ‘community involvement group’ could be formed to help with minor tasks around the village ie cleaning signs.

4. Parking outside the Leisure Centre remains a major issue. If people could photograph the offenders for the police they would be sent a warning saying a further offence would result in prosecution.

7.0 Items for Next Safer Neighbourhoods Meeting

7.1 No items considered.

There being no further business the meeting closed at 7:23 pm.
