6.0 Any Other Business

6.1 Norman Ireland reported on items from the Parish Council meeting held on 4th September. Old Station Close had appealed for help with a speedwatch along the stretch of Hilton Road by the Leisure Centre. The Parish Council had brought it to the Watch meeting as offers of help will be gratefully received.

6.2 Barry Paynton had accompanied Alan Crossley (who was in a wheel chair) around Etwall and identified 37 curbs where dropped curbs could be installed. It was thought a small number were essential.

6.3 A letter has been sent from the Parish Council to South Derbyshire District Council chasing up a pavement on the entrance to Burnaston Lane.

6.4 It is proposed to move the redundant bus shelter on Egginton Road to the centre of the village at the bus stop by the Tesco One Stop shop and to increase the seating on the opposite side of the road at the green.

6.5 A scam has been reported by three people with a telephone call purporting to be from the Inland Revenue telling you that you have underpaid your taxes over a very long period, in one case £1,500 and they are about to begin recovery of the money. A telephone to HMRC confirmed that this is a scam and to ignore this. HMRC will NEVER contact you by telephone, they will always write to you. Please pass this warning to friends and neighbours.

7.0 Items for Next Safer Neighbourhoods Meeting

7.1 The poor service being provided on the V1 route since the new timetable was introduced, namely punctuality, late buses and even missing buses.
